This year's program begins the morning of Sunday, June 30th and concludes the evening of Wednesday, July 3rd. The program will be held at Drew University at 36 Madison Avenue, Madison, NJ 07940.

## **General Program Information & Background**

### ❖ What is RYLA?

The Rotary Youth Leadership Awards (RYLA) is an intensive leadership experience organized by Rotary clubs and districts where participants are presented with opportunities to develop their personal, team, community and global leadership skills while having fun and making connections.

### ❖ What are the benefits?

At RYLA, participants:

- Connect with leaders in their community
- Build communication and problem-solving skills
- Discover strategies for becoming a dynamic leader in their schools and communities
- Learn from community leaders, inspirational speakers and peer mentors
- Unlock their potential to turn motivation into action
- Have fun and form lasting friendships

### ❖ Background

- Current high school students finishing their junior year of high school are eligible to attend.
- Participants must be younger than 18 years old during the entirety of the RYLA program (June 30-July 3, 2024)
- Participants are sponsored by local Rotary clubs and are selected from students enrolled and in good standing in public schools, private schools, charter schools and home schools in the Rotary clubs' designated geographic area

### ❖ The RYLA program consists of Leadership Training via:

- Outstanding speakers
- Experiential activities
- Discussion groups
- Service projects
- Friendships with peers that will last a lifetime

### ❖ Talent Show

- RYLA University will host a talent show as an activity during the program. Participants are welcome to bring instruments and other items to use as part of the talent show.

## ❖ Closing Ceremonies

- Closing Ceremonies will take place from 3:30 PM to 5:00 PM at Drew University. Instructions for parking will be sent via email before the Program begins. Pick up instructions for those not attending Closing Ceremonies will also be emailed at a later date, It will be imperative that all participants and guests depart the camp facility on time, as the RYLA program must quickly vacate the premises.

## ❖ Camp Rules

- Participants are prohibited from driving themselves to the program for any reason. This is for safety considerations and in keeping with RYLA, Rotary and Drew University policies. Participants may be dropped off and picked up by parents/guardians or an authorized Rotarian who has completed Rotary's Youth Protection certification.
- Participants are required to remain on program premises for the duration of the RYLA program. Late arrivals to and early departures from the program are prohibited. Emergencies that require departure from the program will be handled on a case-by-case basis.
- Visitors are not allowed, except for during Closing Ceremonies.
- Drive-bys to drop off items are not allowed.
- Cell phones and other electronic devices are allowed; however, RYLA encourages participants to limit the use of such technologies during the program. The use of phones does have its place during the program (for example to share contact information with other leaders and engage in activities designed to teach how to use technology to create service projects), but there are also times and activities where the use of technology is strongly discouraged in order to enhance the in-person experience.
- Bullying and/or violence of any kind are unacceptable and will not be tolerated.
- Failure to comply with program rules may result in dismissal. Although this has not happened to our knowledge at any previous RYLA University program, any student that presents a disruption to the program or presents a risk to other participants, staff or volunteers will result in the parent/guardian being asked to pick up their participant immediately.

In consideration of my child (as identified above and referred to herein and in other related documents as "Participant") being permitted to participate in the Rotary Youth Leadership Awards (RYLA) University 2024 for District 7475 (hereafter referred to as "RYLA") to be held June 30, 2024 through July 3, 2024 at Drew University, Madison, NJ and all associated activities I have read, understand, agree to the terms and conditions and have executed this two (2) page Participant Authorization Form in the three (3) sections required below. I also agree that the personal, health history and medical information that I have entered for the Participant on the website at [www.TinyURL.com/RYLA-Forms-2024](http://www.TinyURL.com/RYLA-Forms-2024) is correct and accurately reflects the health information of the Participant and agree that that information is part of this document.

**Section 1: Release, Waiver & Indemnity**

I have read the RYLA Participant Handbook & Parent/Guardian Guide distributed to each Participant with their application. I understand that some activities in the program carry risk of physical injury and that the Participant will be encouraged to participate in those activities. I understand that these activities are a part of what has made the RYLA program so successful in the growth of young people and that the Participant has my approval to participate in all the activities of RYLA.

Participant, for himself or herself, his or her spouse, parents, legal representatives, heirs, and assigns, hereby releases, waives and discharges RYLA, Rotary International, Rotary District 7475, The Rotaract Club of Leadership and Service, their officers and members, all promoters, sponsors, advertisers, owners, and lessees of the premises upon which RYLA is conducted, and each of them, their officers and employees (referred to hereinafter as "Releases") from all liability to Participant, Participant's spouse, parents, legal representatives, heirs, and assigns, for any and all loss or damage, and any claim or damages resulting therefrom, on account of injury to Participant's person or property, even injury resulting in the death of Participant, whether caused by the negligence of Releases or otherwise while Participant is participating in RYLA activities.

Participant and Parent or Guardian agrees to indemnify Releases and each of them from any loss, liability, damage, or cost they may incur due to the presence of Participant in or upon RYLA premises or activities, whether caused by the negligence of Releases or otherwise.

Participant and Parent or Guardian hereby assumes full responsibility for the risk of bodily injury, death, or property damage, due to the negligence of Releases or otherwise, while in or upon RYLA premises or activities, and while competing, officiating in, working, or for any purpose participating in RYLA activities.

Participant and Parent or Guardian expressly agree that this release, waiver, and indemnity agreement is intended to be as broad and inclusive as permitted by the laws of the State of New Jersey; and that if any portion hereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in legal force and effect.

**Section 2: Health Care**

**Medication Administration**

The Policy of RYLA University 2024 for District 7475 and its personnel is not to physically administer any medication to participants. Participants must be able to self-administer all of their medications.

Properly labeled medications will be stored at RYLA during the program in a secured space as required by New Jersey law. RYLA personnel will retrieve medications and supervise any participant self-administering medications and record this information in our medical log.

**Special Needs**

RYLA welcomes participants with special needs to our programs. Parents/guardians should discuss their participant’s abilities/limitations with our RYLA staff. While RYLA will make reasonable accommodation to include special needs participants in our program, we also understand that the physical activities which are an integral part of the program may not be suitable for every participant and RYLA reserves the right to ask that a participant not participate in that part of the program. This request insures a safe and enjoyable experience for the participant as well as the other participants in the program.

**COVID-19 Policy**

RYLA adheres to the most-current New Jersey Department of Health guidelines and requirements. Consistent with Rotary as an organization that encourages and uses vaccines, we suggest all participants involved in RYLA get vaccinated against the COVID-19 virus. RYLA will not require vaccination, though it is strongly recommended. RYLA will not require participants to test for the virus prior to attending RYLA, though it is strongly recommended.

RYLA respects everyone’s individual decision on whether to wear a mask at the program and ensure their comfortability in doing so. RYLA reserves the right to ask participants to test for COVID-19 and quarantine anyone who does test positive or contracts COVID-19 during the RYLA program. If someone is known to have the virus prior to the program starting, he or she will not be allowed to participate—this goes for both participants and volunteers. RYLA reserves the right to dismiss participants from the program if the program staff determine a participant’s health status is a risk to others at the program.

This policy is subject to change depending on the health requirements, guidelines, and suggestions of the Center for Disease Control and Prevention (CDC) and/or New Jersey Department of Health.

**Parent/Guardian Authorization for Health Care:**

This health and medical history provided by me for the Participant named above on the RYLA University 2024 for District 7475 at [www.TinyURL.com/RYLA-Forms-2024](http://www.TinyURL.com/RYLA-Forms-2024) is correct and accurately reflects the health status of the Participant to whom it pertains. The Participant described has permission to participate in all camp activities except as noted by me on the website. I give permission to the physician selected by the camp to order x-rays, routine tests, and treatment related to the health of my child in an emergency situation. If I cannot be reached in an emergency, I give my permission to the physician to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for this child. I understand the information on this form will be shared on a "need to know" basis with camp staff. I give permission to photocopy or scan this form. In addition, the camp has permission to obtain a copy of my child’s health record from providers who treat the Participant and these providers may talk with the program’s staff about Participant’s health status.

Further, I attest that I am the parent or legal guardian of the Participant and that I have full authority to consent and authorize RYLA to use their likenesses and names.

# **Ready to Rise! Ready to Rock! Ready to RYLA!**

Rotaract Club of Leadership & Service President David Edelstein attended RYLA in 2014 as a representative from Paramus High School and the Paramus Rotary Club.

David's first involvement with Rotary was as a PHS student, volunteering at the annual Rotary Pasta Dinner held at the school. As a high school junior, David received the Certificate of Global Peace & Multicultural Understanding from the Paramus Rotary Club in recognition of his contest-winning poem on the topic of Multicultural Diversity. He was also a four-year scholarship recipient from the Paramus Rotary Club.

David describes RYLA as a program that had immediate impact and lasting influence on who he is and, consequently, his entire life. While at RYLA in 2014, David learned lessons of personal, team, community and global leadership, teamwork and service. He immediately began putting these lessons to practice in his home, school and extracurricular life (including a heavy influence on a 10,000-word thesis he wrote as part of his black belt testing for Isshin-Ryu karate, titled "The Power of Words.")

David reunited with RYLA in 2016, returning as a program organizer and leader. In 2018, 2023 and 2024, David visited RYLA 5330 in California to observe and share RYLA mindsets and strategies. David has connected with RYLAs across the US and internationally, including Districts 6980 and 6930 in Florida, 7150 and 7170 in central New York and 7910 in central Massachusetts. David has been a guest speaker for RYLA Hawaii, RYLA New Mexico and RYLA Southern California. During the COVID-19 pandemic in 2020-2021, David helped create and lead an interactive online RYLA program (RYLAUniversity.com) for Districts 5020 and 5030 in Washington State and western Canada, and District 5650 in Nebraska. David was named a Paul Harris Fellow in 2023. He was a Team Development and Program Strategist for RYLA 6820 in Mississippi for which he received the District Service Award in 2024.

David graduated Summa Cum Laude with University Honors from the S.I. Newhouse School of Public Communications at Syracuse University with a Bachelor of Science in Broadcast & Digital Journalism. David served as Vice President of the Rotaract Club of Syracuse University in its first full year of existence. He is a founding member and current President of the Rotaract Club of Leadership & Service in District 7490.

Please feel free to reach out to David for any RYLA-related questions, comments, assistance, ideas, information, stories, etc. You may email him at: [WeAreServantLeaders@gmail.com](mailto:WeAreServantLeaders@gmail.com)
